KB4-F DRAIN LINE FORMULA

For use in floor drains, soda fountain drains, beer tap drains, ice cream dipper well drains, ice machine drains, bar sink drains, soda holster drains and other types of drains. Also, spray under equipment and in cracks and crevices where grease builds up.

Application Instructions:

Mix with two gallons of water in a 2 gallon sprayer. Spray 2 to 3 ounces per soda fountain type drain. Spray 8 ounces per floor drain. Calibrate pump at full pressure to determine how many seconds to spray; maintain full pressure during use. Use all product at time of service. Do not store after mixing. Repeat monthly.

Storage:

Store at ambient temperature; do not allow to freeze.

Product Information:

Environmentally friendly
Safe for plumbing lines and septic systems
Contains no corrosive or caustic chemicals
No free enzymes or FOG emulsifiers

Non-flammable
Does not cause pass-through
Multiple strains of naturally occurring bacteria

Precautions:

Do not ingest
Keep out of reach of children
Avoid contact with open wounds
People with autoimmune deficiencies should avoid contact

Do not inhale
Wear latex gloves for hygiene
Avoid contact with eyes, nose, or mouth
Wash hands with soap and water after handling

First Aid:
