PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING

Causes skin irritation. Causes moderate eye injury. Do not get on skin or in eyes or on clothing. Wear appropriate protective gloves and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, and chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow this pesticide to enter or run-off into storm drains, drainages ditches, gutters or surface water. Do not apply directly to fish-bearing bodies of water. Do not apply to areas where surface water may contaminate streams or lakes or to intertidal areas below the mean high water mark. Do not apply directly to treated, finished drinking water reservoirs or drinking water receptacles when the water is intended for human consumption.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL INSTRUCTIONS AND INFORMATION

Do not apply this product in any way that will contact workers or other persons either directly or through drift. For any requirements specific to your state or tribe consult the state or tribal agency responsible for pesticide regulation.

User Safety Recommendations

Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

NON-AGRICULTURAL USE REQUIREMENTS

The requirements in this box apply to uses of this product that are NOT within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The WPS applies when this product is used to produce agricultural plants on farms, forests, nurseries, or greenhouses.

Do not enter or allow others or pets to enter the treated area until sprays have dried.

This product is used to discourage birds from feeding on berries, pome and stone fruits, and sunflowers. It discourages birds from settling on turf and ornamentals, drinking and bathing in non-fish bearing bodies of water such as water impoundments and fountains and controls roosting in and on structures.

Preparation and Mixing Instructions: Warm, in the sun or a warm water bath, if the formulation has frozen or solidified. Stir product until well mixed before adding to water.

Application Instructions -

Hand Sprayers: Mix one part of repellent product with 99 parts of water (1% solution). Use 1.3 oz to 7.7 oz in 1 to 6 gallons of water per 1000 sq. ft. Apply directly to plants.

Timing: Begin applications when fruit begins to ripen or birds begin feeding. Reapply every 5 to 8 days if birds reappear.

Stone Fruit [such as cherry, apricot, peach, plum] and Berries: Follow Application Instructions.

Berries: Apply at a rate of 1.3 oz to 2.6 oz (0.026 to 0.052 lbs a.i) in 1 to 2 gallons of water per 1000 sq. ft. (0.5 to 1.0 gallon). Harvest berries 5 to 8 days after last treatment or after all odor and taste of the product has dissipated.

Grapes: Apply at a rate of 1.3 oz repellent product in 1 gallon of water per 1000 sq. ft. (0.5 gallons per acre). Harvest grapes 5 to 8 days after last treatment or after all odor and taste of the product has dissipated.

Sunflowers: Follow hand sprayer application instructions above.

Pome Fruit [apples]: Follow hand sprayer application instructions above.

Decorative Non fish Bearing Fountains, Temporary Pools: Add 1 to 2 parts of repellent product per 500 parts of water in the body of water (0.5 to 1 gal per 62.5 gallons of water). Mix repellent product with water before adding to fountain or pool. Reapply at 3 to 4 week intervals to maintain repellency.

Turf: Apply 6 to 12 oz of repellent product in 0.5 to 1 gallon of water per 1000 square feet (1 to 2 gallons of repellent product per acre). Reapply product at intervals of 7 to 14 days, or after each mowing, if necessary to maintain repellency. Postpone irrigation for at least one hour after application.

Ornamentals: Mix 13 oz of repellent product with 4 gallons of water and apply to foliage in the morning or late afternoon. Allow to dry before watering.

Structures, Residential buildings and complexes, and construction sites: Mix 1 part repellent product with 1 part water and apply with hand sprayer. Swallows and woodpeckers: Apply to nests before eggs or young are present. Do not apply to eggs or nesting birds.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE: Store only in original container apart from pesticides, fertilizers, food or feed that may cause cross-contamination from odor; and inaccessible to children. Avoid freezing or placing containers in direct sunlight. If frozen thaw and remix contents. Keep tightly closed when not in use.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of by exposing to direct sunlight until all odor is gone or the product has dissipated or at a waste disposal facility.

CONTAINER HANDLING: Nonrefillable Container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product, if the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather, presence of other materials or other influencing factors in the use of the product, which are beyond the control of BIRD-X INC. or Seller. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and User, and Buyer and User agree to hold BIRD-X INC. and Seller harmless for any claims relating to such factors.

BIRD-X INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller or BIRD-X INC., and Buyer and User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BIRD-X INC. MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

To the extent consistent with applicable law, neither BIRD-X INC. nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF BIRD-X INC. AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF BIRD-X INC OR SELLER, THE REPLACEMENT OF THE PRODUCT. BIRD-X INC. and Seller offer this product, and Buyer and User accept it, subject to the foregoing conditions of Sale and Limitation of Warranty and Liability which may not be modified except by written agreement signed by a duly authorized representative of BIRD-X INC.
